Document Version:
Publisher’s PDF, also known as Version of Record (includes final page, issue and volume numbers)

Please check the document version of this publication:

• A submitted manuscript is the version of the article upon submission and before peer-review. There can be important differences between the submitted version and the official published version of record. People interested in the research are advised to contact the author for the final version of the publication, or visit the DOI to the publisher’s website.
• The final author version and the galley proof are versions of the publication after peer review.
• The final published version features the final layout of the paper including the volume, issue and page numbers.

Correction of: https://www.jmir.org/2021/4/e17127
(J Med Internet Res 2021;23(4):e29629) doi: 10.2196/29629

In “Theory Integration for Lifestyle Behavior Change in the Digital Age: An Adaptive Decision-Making Framework” (J Med Internet Res 2021;23(4):e17127) the authors noted one error.

In the originally published manuscript, the heading “Mapping Digital Intervention Techniques to the Framework” was incorrectly set as a level 3 subheading rather than a level 2 heading. This has been changed to a level 2 heading in the corrected version of the manuscript.

The correction will appear in the online version of the paper on the JMIR Publications website on April 15, 2021, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.

This is a non–peer-reviewed article. Submitted 14.04.21; accepted 14.04.21; published 15.04.21.
