Published: 01/07/2021

Document Version:

Publisher's PDF, also known as Version of Record (includes final page, issue and volume numbers)

Please check the document version of this publication:

- A submitted manuscript is the version of the article upon submission and before peer-review. There can be important differences between the submitted version and the official published version of record. People interested in the research are advised to contact the author for the final version of the publication, or visit the DOI to the publisher's website.
- The final author version and the galley proof are versions of the publication after peer review.
- The final published version features the final layout of the paper including the volume, issue and page numbers.

Author Correction: The current landscape of nucleic acid therapeutics

Jayesh A. Kulkarni , Dominik Witzigmann , Sarah B. Thomson , Sam Chen, Blair R. Leavitt , Pieter R. Cullis  and Roy van der Meel 

Correction to: *Nature Nanotechnology* <https://doi.org/10.1038/s41565-021-00898-0>, published online 31 May 2021.

In Table 2 of the version of this Review originally published, the nucleic acid therapeutic ‘Nedosiran’ was incorrectly listed as a GalNAc–ASO conjugate, but it is a GalNAc–siRNA conjugate. Table 2 has now been amended accordingly in the online versions of the Review.
