

Copy control using digital speed bumps

Citation for published version (APA):

Wirtz, G., Kalker, A. A. C. M., Haitzma, J. A., & Linnartz, J. P. M. G. (2005). Copy control using digital speed bumps. (Patent No. EP1525582).

Document status and date:

Published: 27/04/2005

Document Version:

Publisher's PDF, also known as Version of Record (includes final page, issue and volume numbers)

Please check the document version of this publication:

- A submitted manuscript is the version of the article upon submission and before peer-review. There can be important differences between the submitted version and the official published version of record. People interested in the research are advised to contact the author for the final version of the publication, or visit the DOI to the publisher's website.
- The final author version and the galley proof are versions of the publication after peer review.
- The final published version features the final layout of the paper including the volume, issue and page numbers.
