## Appendix: Partial University Teaching Qualification (UTQ) Teaching

### Competences

This partial UTQ certificate Teaching covers component a and b of competence 2: Teaching and Supervising, formulated in the 4TU UTQ regulation.

#### 2. *Teaching and supervising*

*The teacher can:*

- a. Prepare an educational meeting.
- b. Conduct an educational meeting and reflect on the performance.

### Requirements

This partial UTQ certificate was granted if the participant met the following requirements:

- a. Followed the course Teaching Skills, offered by the Eindhoven University of Technology (TU/e);
- b. Taught/lectured to (applied) university students for at least 20 hours in the last 5 years;
- c. Participated in the program Partial UTQ certificate Teaching offered by TEACH (TU/e) and performed the assignments in a sufficient manner.

### Program

The program partial UTQ certificate Teaching contained the following components and assignments:

- A lesson plan (including intended learning outcomes, time planning, and student and teacher activities) and corresponding materials;
- An observation form with feedback from a peer;
- An observation form with feedback from an educational consultant;
- A revised lesson plan with changes based on the feedback;
- A video recording of the educational meeting belonging to the revised lesson plan;
- An end presentation with a thorough reflection on the competence.

### Assessment

The partial UTQ certificate Teaching was assessed by the TEACH department of the University of Eindhoven using the criteria a +b of competence 2 from the 4TU UTQ regulations. The assessment was based on the deliverables and the end presentation.
