Gassel, van, F. J. M. (2013). *Feedback from members on IAARC's activities*. 30th International Symposium on Automation and Robotics in Construction and Mining (ISARC2013), Augustus 11-15, 2013, Montréal, Canada, Montréal, Canada.

Document status and date:

Published: 01/01/2013

Document Version:

Accepted manuscript including changes made at the peer-review stage

Please check the document version of this publication:

- A submitted manuscript is the version of the article upon submission and before peer-review. There can be important differences between the submitted version and the official published version of record. People interested in the research are advised to contact the author for the final version of the publication, or visit the DOI to the publisher's website.
- The final author version and the galley proof are versions of the publication after peer review.
- The final published version features the final layout of the paper including the volume, issue and page numbers.

- 11 reactions Board of Directors
- Closed 4th June 2013

Results & recommendations

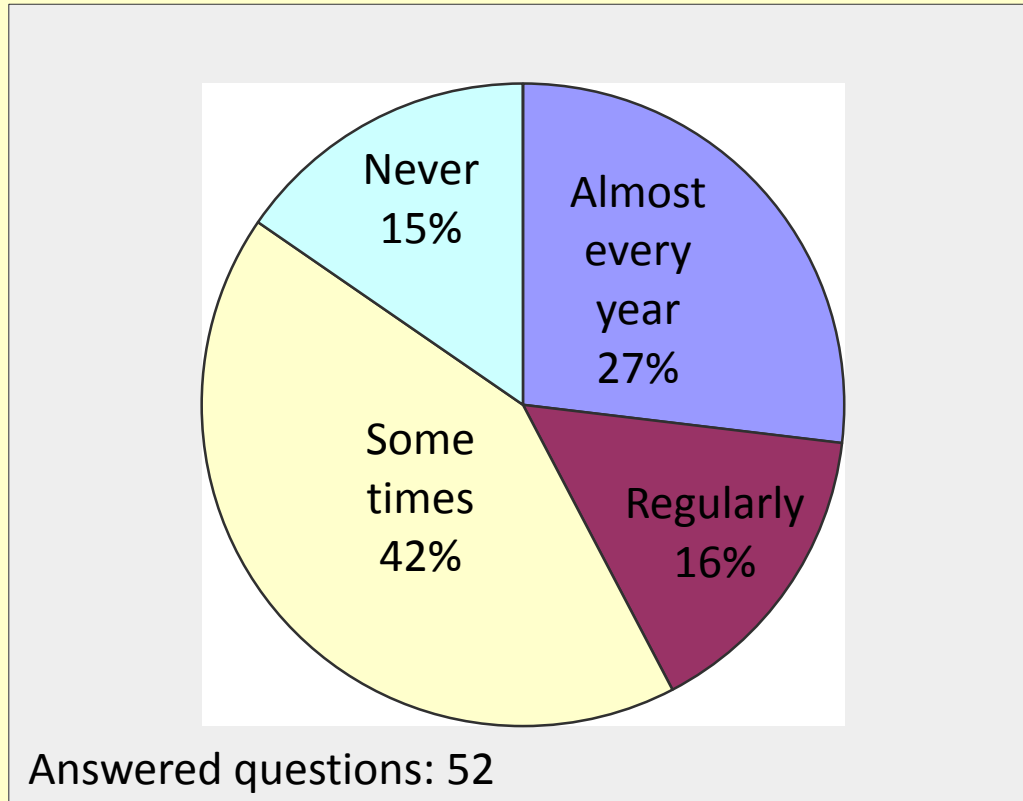

Positions interviews

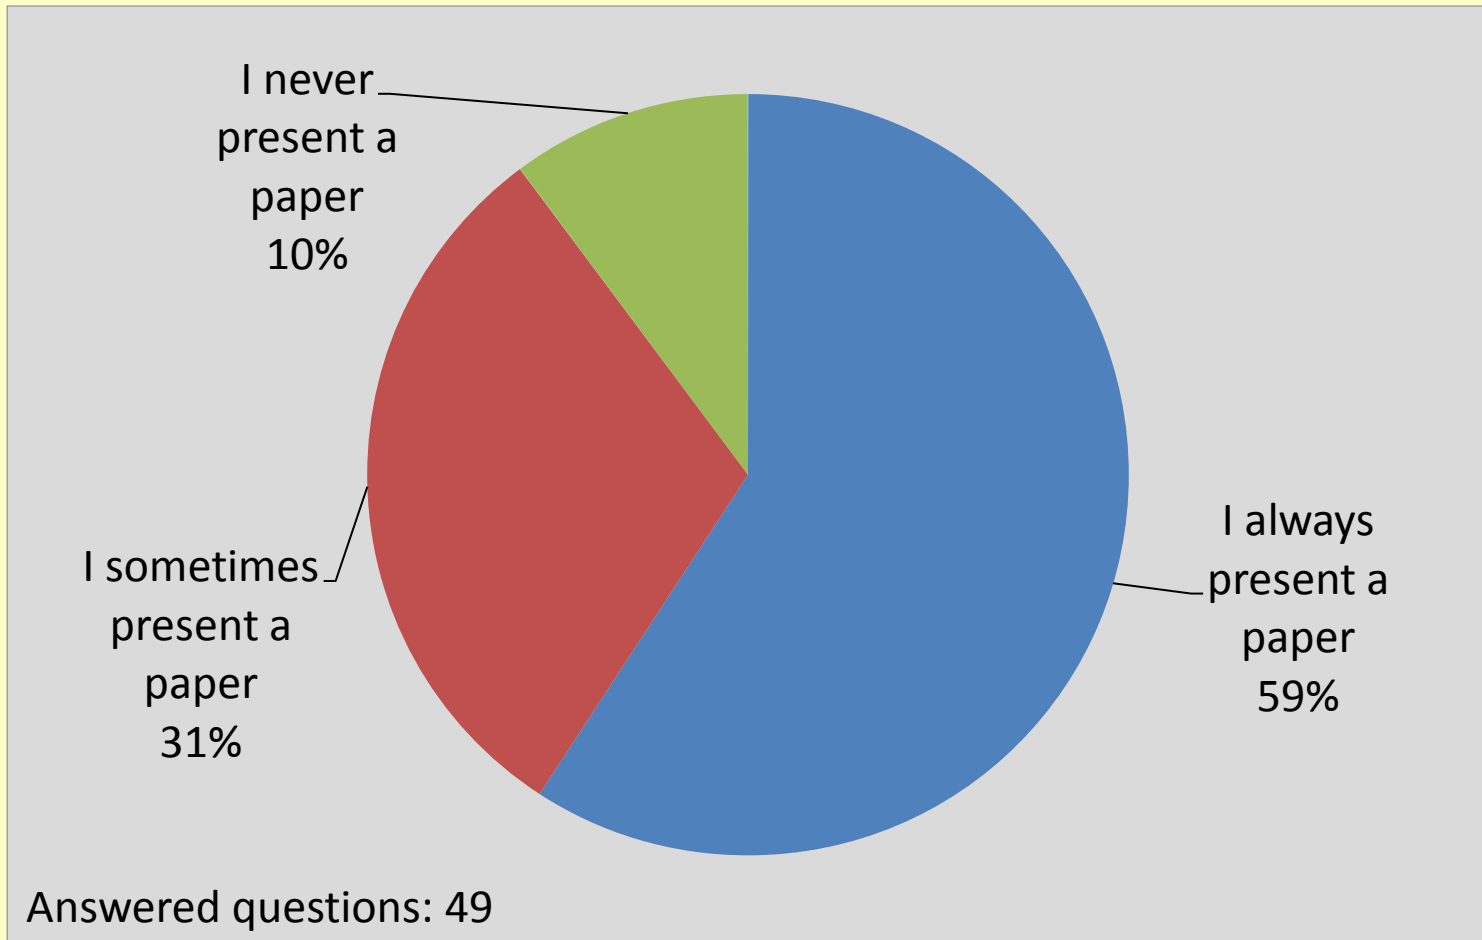

Average number of years of practice: 13,5 (N = 52)

Visiting ISARC

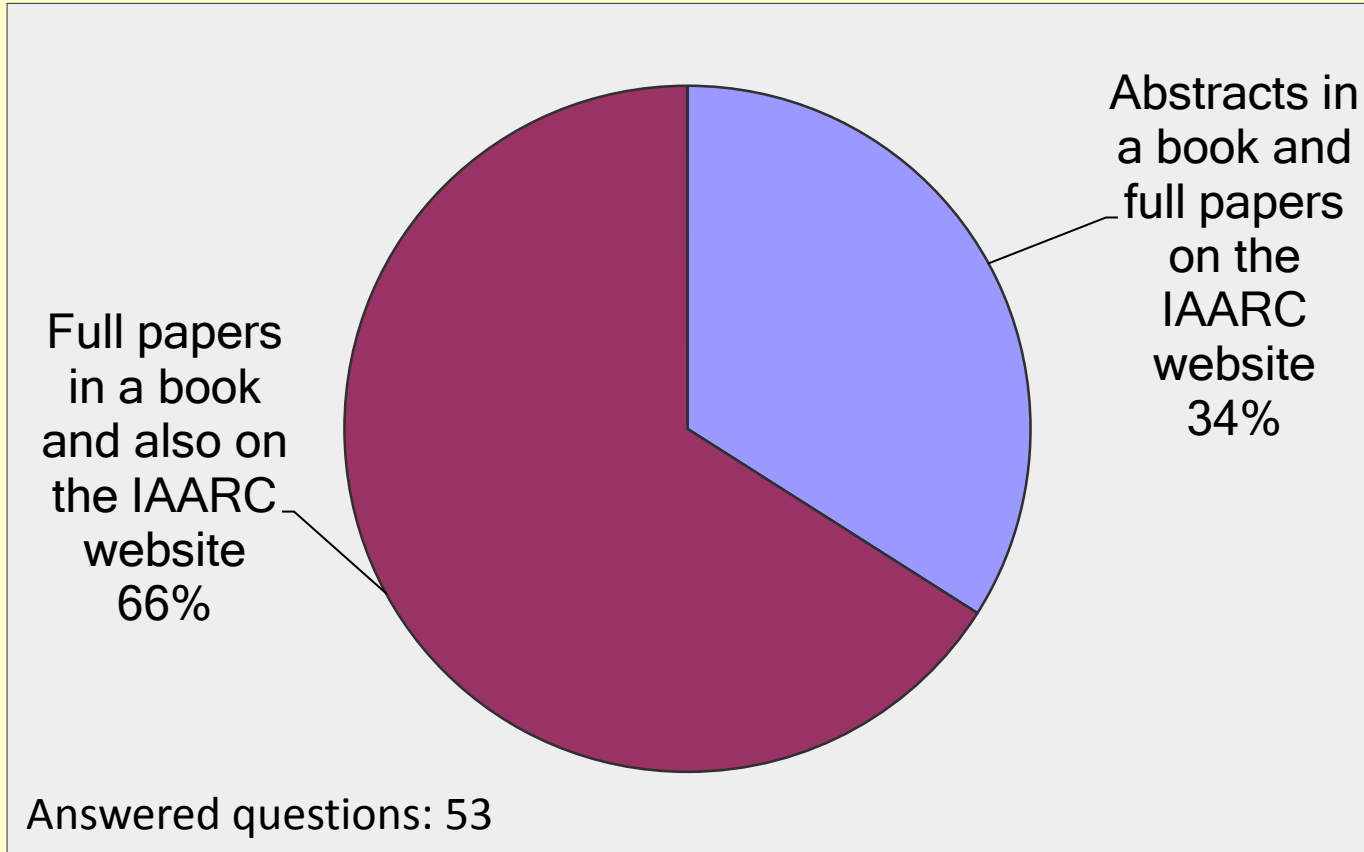

Average visits ISARC: 4,2 (N = 53)

When I visit an ISARC

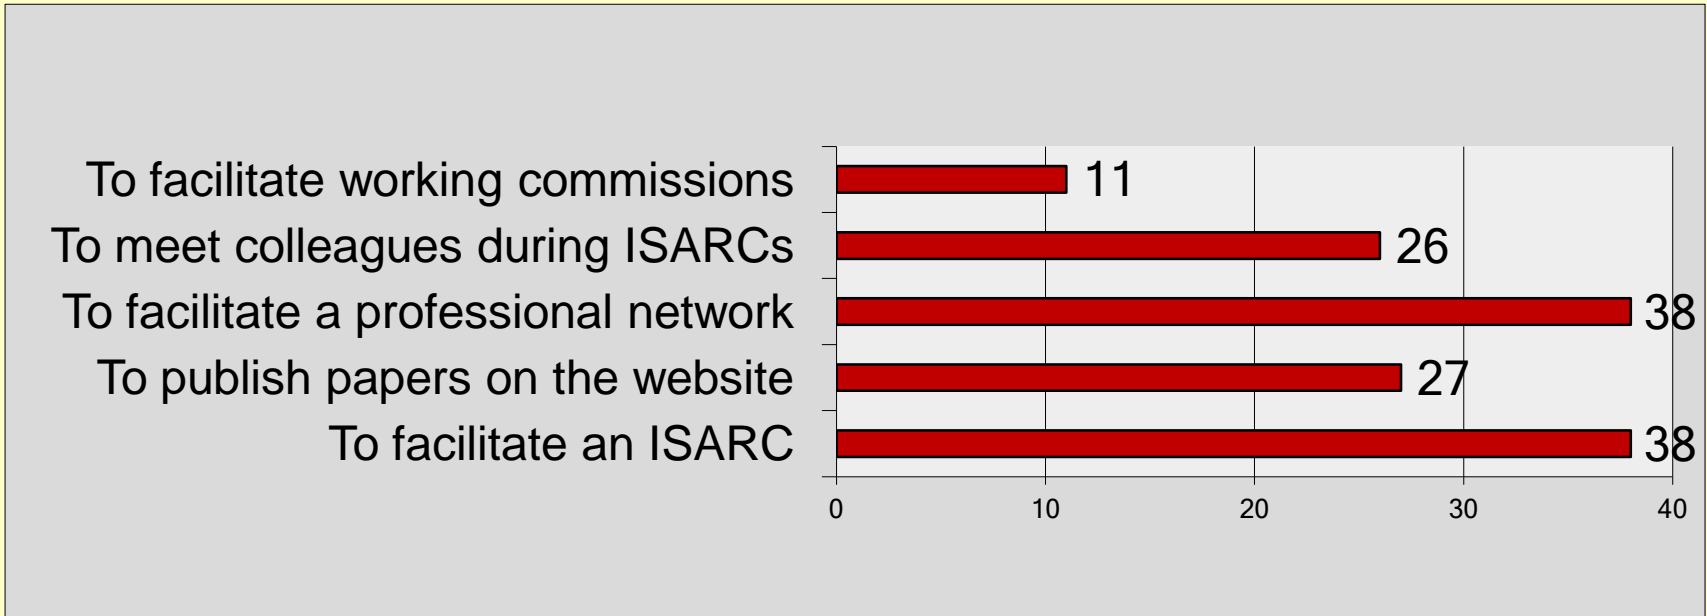

The ISARC papers should be published as:

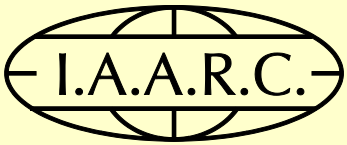

The most important goals of IAARC

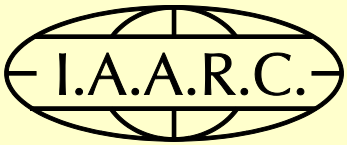

- Answered questions: 53
- More than one answer was possible

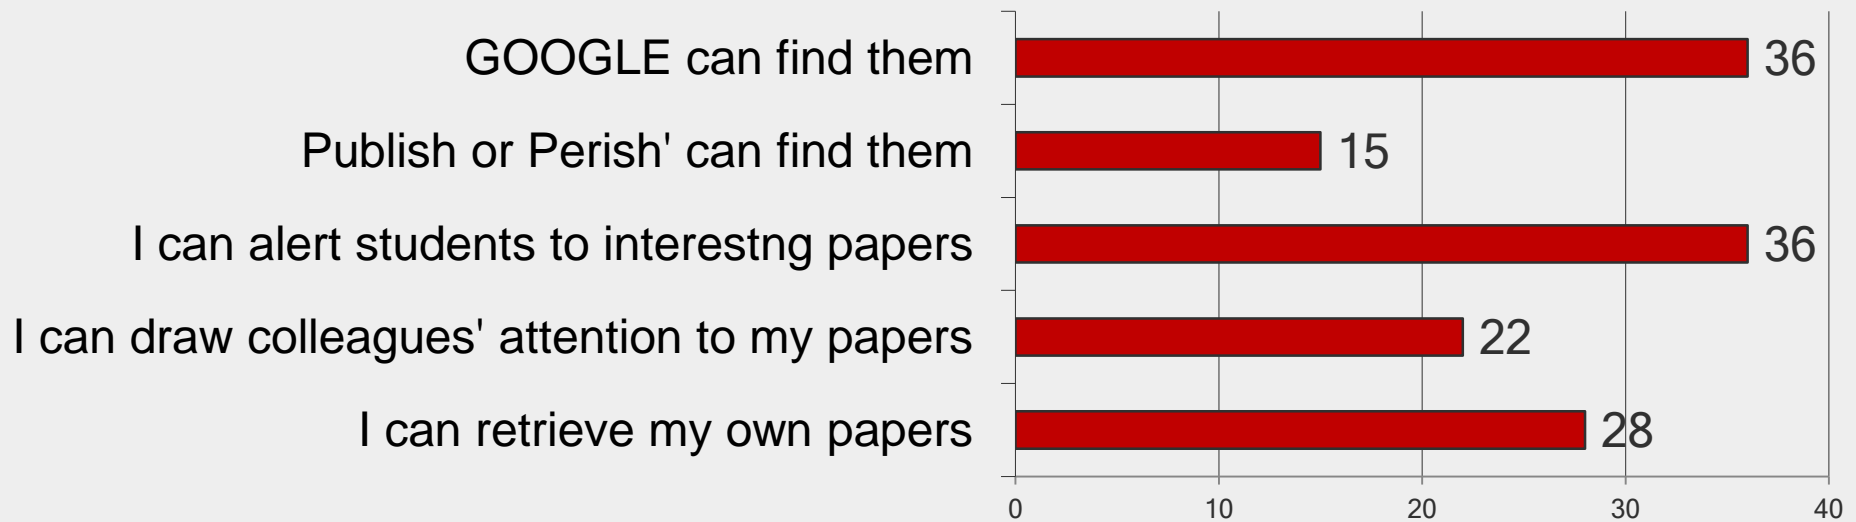

To increase the impact of ISARC papers indexing in strong databases such as ISI Web of Knowledge, Thomson Reuter, ProQuest and Scopus is necessary:

Strongly disagree	Disagree	No opinion	Agree	Strongly agree
1	1	4	21	26

Answered questions: 53

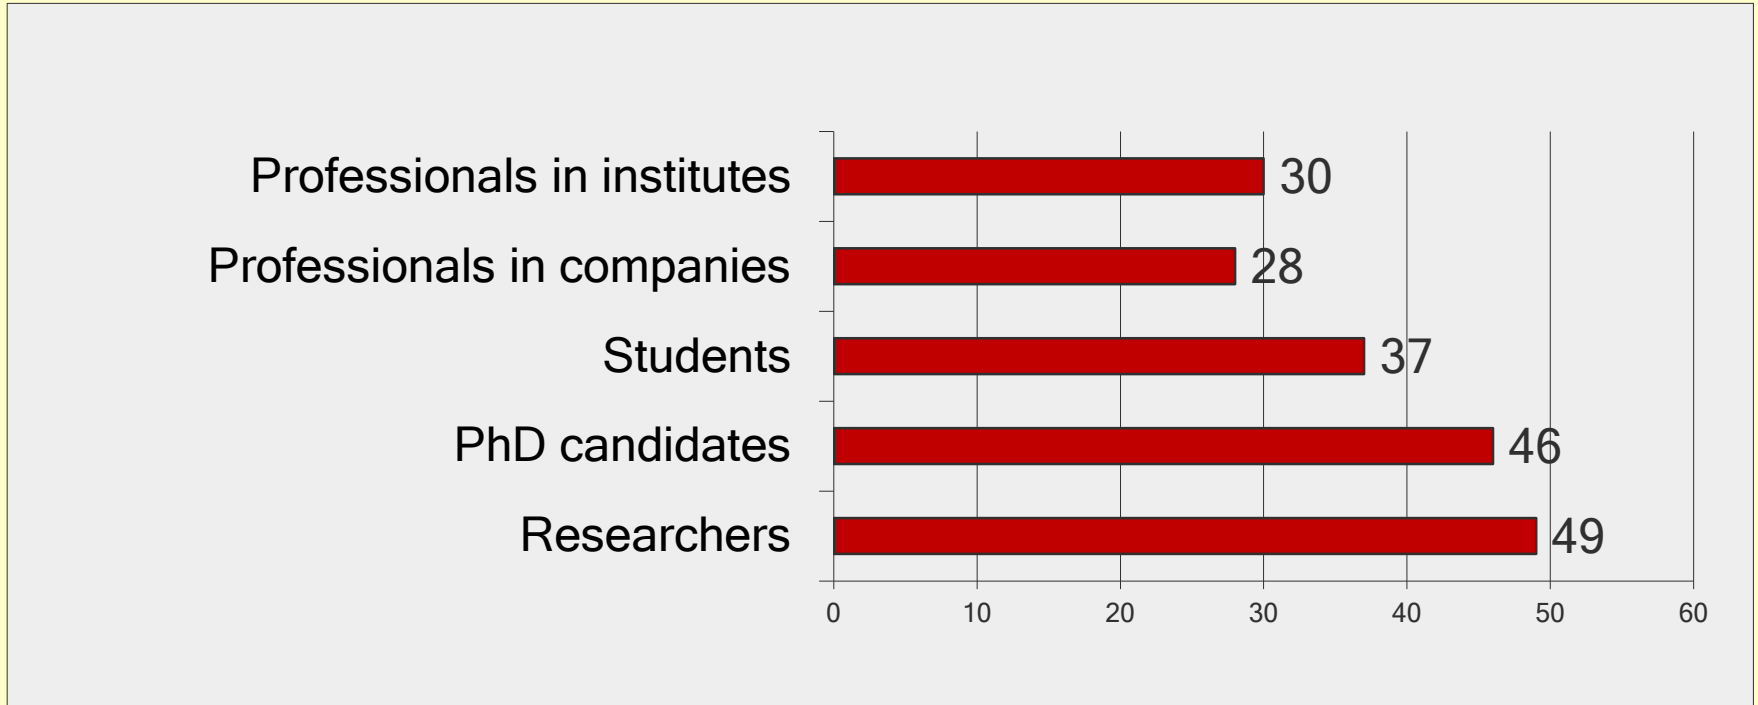

If the full papers are published on the IAARC website, then

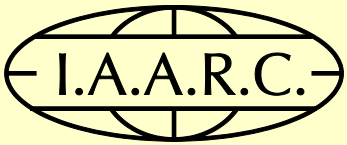

- Answered questions: 53
- More than one answer was possible

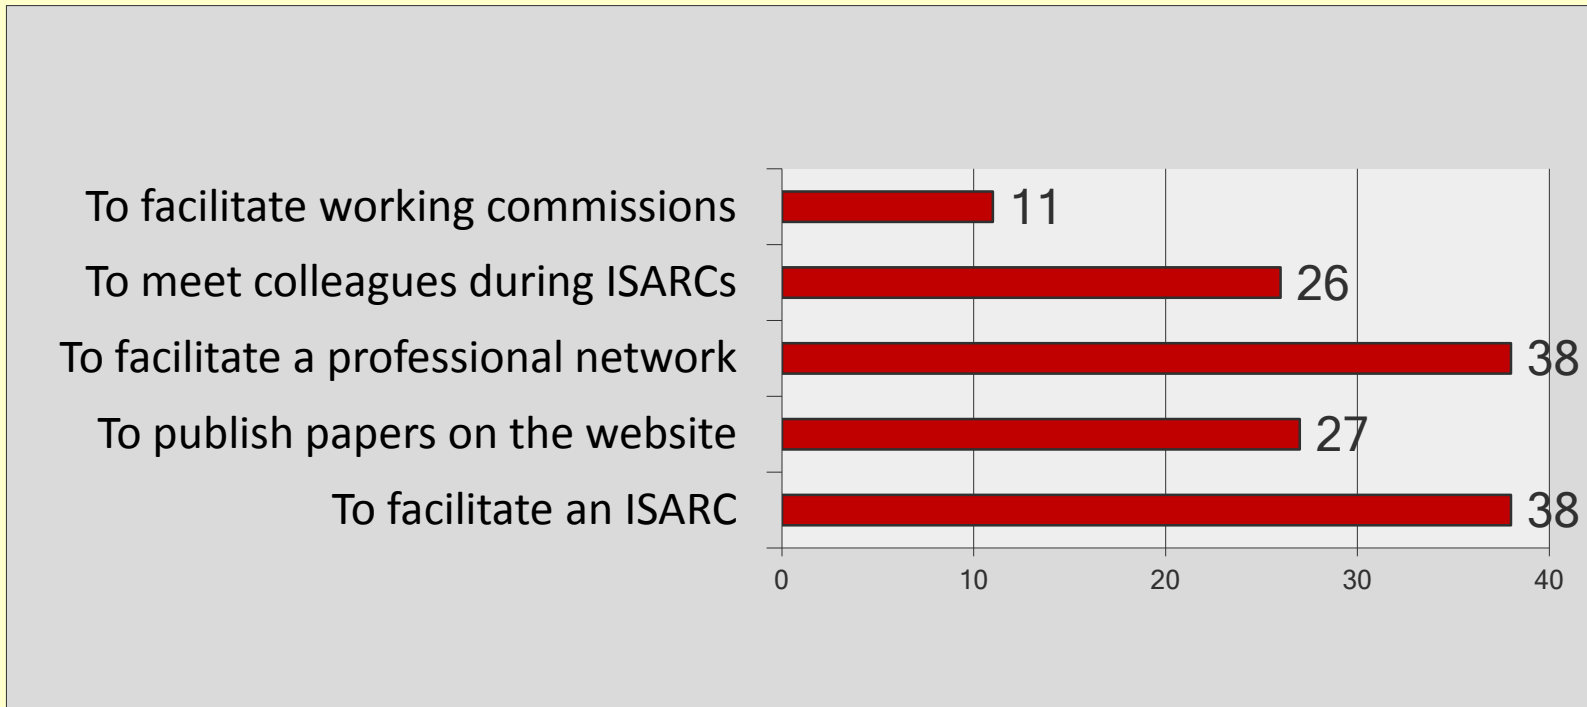

The IAARC website is useful for:

- Answered questions: 52
- More than one answer was possible

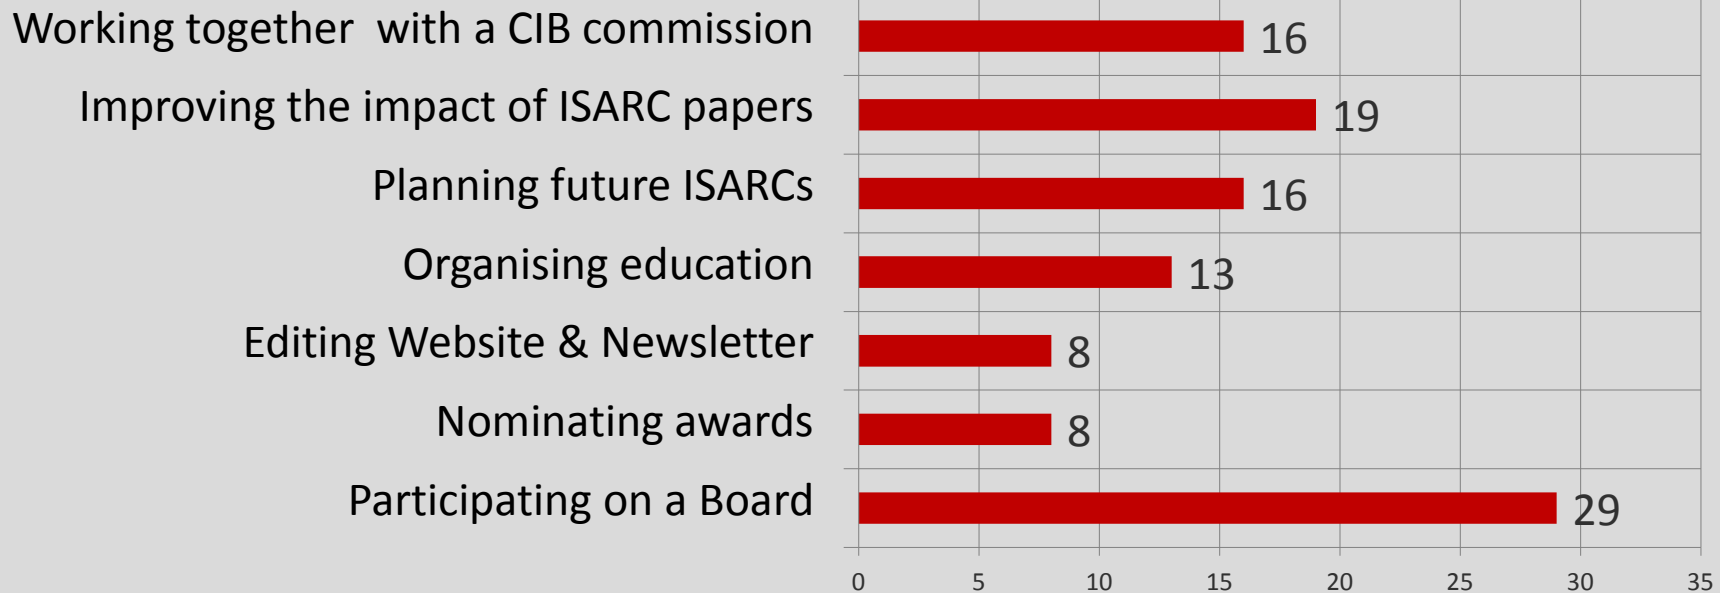

The most important goals of IAARC

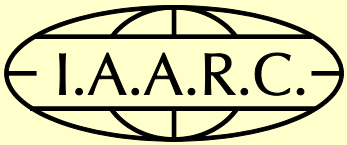

- Answered questions: 53
- More than one answer was possible

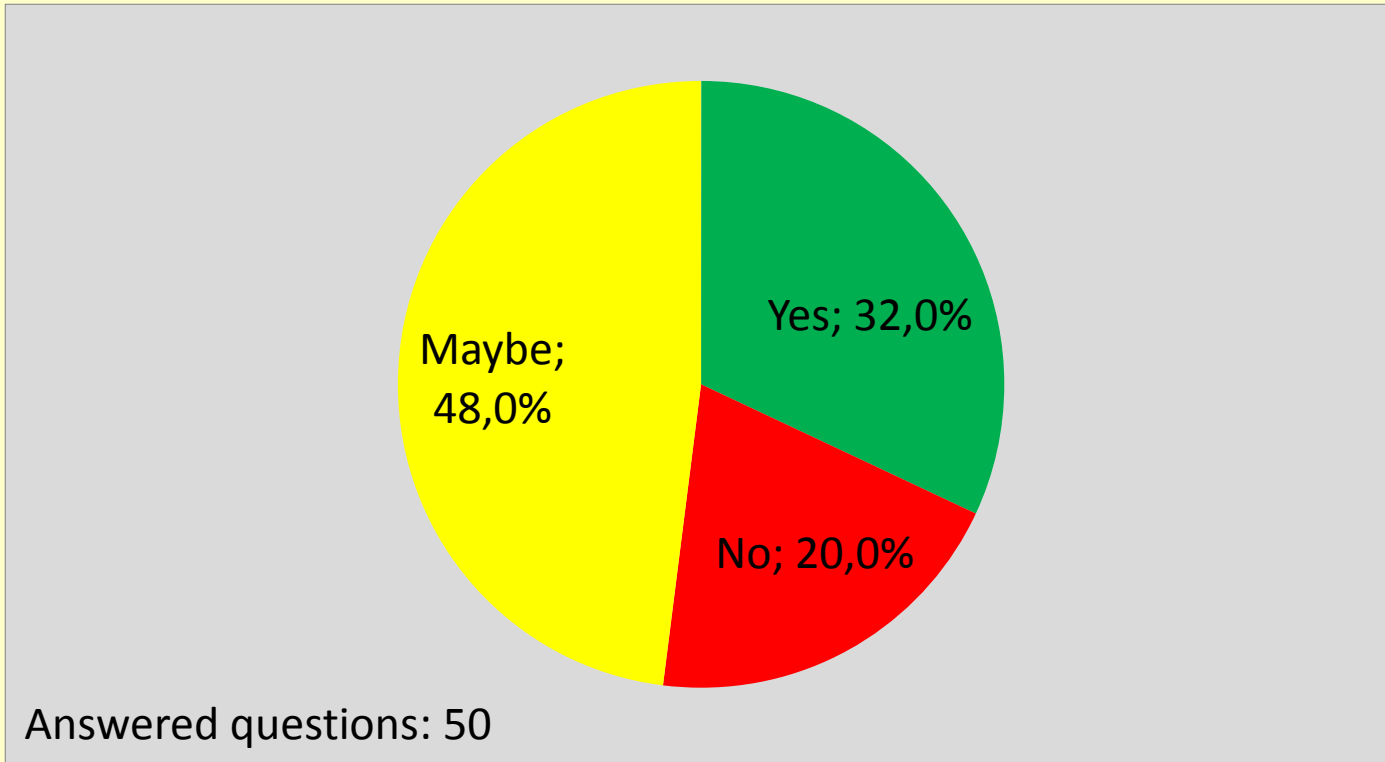

An IAARC member would be active in one of the following committees

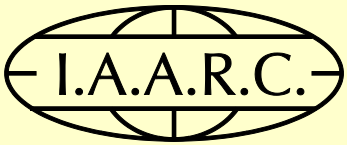

- Answered questions: 45
- More than one answer was possible

Would you like to organize an ISARC in the future?

Recommendations

- Core activity is owner of the product ISARC. Focus on it
- Enhance the quality of the ISARC papers
- Stimulate a strong board of directors (BOD)
- Give youngsters a chance to participate active in IAARC
- IAARC website as data base for ISARC papers
- More involvement industry
