Research output

**Smart mobility to solve long-term societal challenges? unpacking the smart mobility promise in the Netherlands**

**The boundedness of intermediaries in transition contexts: the case of connecting mobility**

**Understanding smart mobility experiments in the Dutch automobility system: who is involved and what do they promise?**

**Transition strategy: A niche management framework**

**Small-scale hydropower in the Netherlands: problems and strategies of system builders**

Activities

**Supervisor at Study Tour Prague with study association Intermate**
Tanja N. Manders (Contributor)
6 Feb 2019 → 10 Feb 2019

**Inspirational Talk at Ministry of Internal Affairs**
Tanja Manders (Speaker)
18 Oct 2018

**Keynote speaker at Smart Mobility Event**
Tanja Manders (Keynote speaker)
27 Jun 2018

**International Conference on Sustainability Transitions (IST) 2018 Manchester**
Tanja Manders (Participant)
Jun 2018

**Presentation smart mobility at Zonta Eindhoven**
Tanja Manders (Keynote speaker)
Jan 2018

**TIS low-carbon travel initiative**
Tanja N. Manders (Recipient)
2018 → …
Pitch smart mobility for societal challenges?
Tanja Manders (Speaker)
Oct 2017

Presentation Societal Aspects of Smart Mobility
Tanja Manders (Speaker)
Jan 2017

Advisory project to develop a transition strategy advice for Connecting Mobility
Tanja Manders (Consultant)
2017 → 2018

PhDs in Transition Conference
Tanja Manders (Participant)
2017

7th International Sustainability Transitions Conference, IST2016, 6-9 September 2016, Wuppertal, Germany
Tanja Manders (Participant)
Sep 2016

Advisory Board Technology for Global Development - TU/e (External organisation)
Tanja Manders (Member)
2016 → …

European Transport Conference
Tanja Manders (Participant)
2016

WTMC Graduate Program
Tanja Manders (Recipient)
2015 → 2018

Prizes

Alternative presentation WTMC list of publications
Tanja N. Manders (Recipient) & Mignon L. Wuestman (Recipient), 24 Nov 2017

Nominee 'New Talent Award' Education Awards 2016-2017
Tanja N. Manders (Recipient), 2018
